Claims 1-25 are allowed over the prior art of record and in light of applicants' arguments.

The amendment filed on 10/12/04 has been entered.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: on page 3 of the specification, paragraph [0012], please delete "1" and insert -1a, 1b—.

The following is an examiner's statement of reasons for allowance: The prior art of record fail to teach controlling a plurality of devices connected to a host system in which the determination of the particular device type to which a device request is directed is carried out by a device driver of the network server which is configured to operate as a single, integrated device driver to support the different device types of the plurality of devices.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Frantz B. Jean whose telephone number is 571-272-3937. The examiner can normally be reached on 8:30-6:00 M-f.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Zarni Maung can be reached on 571 272 3939. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
